*Deadline: Applications will be accepted until 11:59pm PST on **June 30th, 2024***

Programs running primarily between July 1, 2024 and March 31, 2025 are eligible to apply.

OBJECTIVE:

The goal of the Community Sport Program Development fund is to make community sport in British Columbia more accessible by reducing barriers to participation. From isolated rural communities to large urban populations where low sport participation exists, this fund provides financial support to non-profit organizations that offer programs to equity seeking groups* and/or the general population, in an effort to increase sport participation opportunities.

The Community Sport Program Development Fund is supported through bilateral contributions from the Province of BC and the Government of Canada and administered through viaSport British Columbia.

WHO CAN APPLY:

Applications can only be submitted by registered not-for-profit societies that are:

- Local Sport Organizations (LSOs) that are affiliated and in good standing of a viaSport Designated Sport Organization
- Municipalities, Community Centres, Clubs, and Associations that directly deliver organized sport programs in their community
- Indigenous Bands or Community Associations

Additionally, a viaSport Designated Sport Organization (i.e., accredited, recognized, or affiliated) may **only** apply in the “Programming for Equity Seeking Groups” category for community level programming.

For more information on **viaSport’s Designation Sport Program** please visit: <https://viasport.ca/accredited-recognized-affiliated-sports-in-bc/>
