

## HOSTING BC PROGRAM GUIDELINES

*Deadline: Applications will be accepted until 5:00 pm PST on **May 30<sup>th</sup>, 2025**.*

*Events taking place between July 1<sup>st</sup>, 2025 and December 31<sup>st</sup>, 2026 are eligible to apply.*

### OBJECTIVE:

The Hosting BC program was originally launched leading up to the 2010 Olympic and Paralympic Winter Games in an effort to strengthen sport, economic, and community development across BC. With this program The Province of BC through the Ministry of Tourism, Arts, Culture and Sport invests to help communities, organizations, and volunteers enhance their event hosting capacity, generate economic and tourism impact, and support sport excellence and athlete development pathways.

Since 2004, \$8.7 million has been invested in 1738 sporting events in 100+ unique communities across BC developing a legacy of sport hosting expertise.

### WHO CAN APPLY:

Applications can only be submitted by registered not-for-profit societies that are:

- A viaSport Designated Sport Organization (i.e., accredited, recognized, or affiliated)
- Local Sport Organizations (LSOs) that are affiliated and in good standing of a viaSport Designated Sport Organization
- BC municipality, regional district, other local government body, First Nations community associations
- National Sport Organization (NSO), Federally or Provincially Registered Society associated with an NSO or PSO

Only those sports that are designated under **viaSport's Designation Sport Program** in BC are eligible to be considered for Hosting BC funding. See [Appendix 1](#) for eligible sports. (Note: Applicants from Combative Sports must seek PSO approval or, where applicable, BC Athletic Commissioner sanction prior to submission of their application)

**Sports not listed in [Appendix 1](#) (i.e., do not currently fall under viaSport's Designation Sport Program) may apply for Hosting BC funding in the Invitational Events category only.** It must be demonstrated that the sport is an emerging sport and that the event will lead to further development of the sport within BC (i.e. the sport is making steps to align with an existing PSO and/or establishing a new PSO).

For more information on **viaSport's Designation Sport Program** please visit:

<https://viasport.ca/accredited-recognized-affiliated-sports-in-bc/>

It is anticipated that more applications will be received than can be funded, and therefore only eligible applications will be reviewed

## REVIEW CRITERIA AND SELECTION PROCESS:

Grant funding is allocated through a competitive application-based process. Eligible applications are evaluated by a review panel consisting of sport sector experts. The panel members are chosen to ensure balanced representation. The panel bases their recommendations and funding levels on the eligibility and assessment criteria described in these guidelines with guidance from viaSport, but reserves the right to recommend an application that falls outside of these guidelines if the project description demonstrates it supports the overall objective of the program. Priority may be as follows: International, National, Western Canadian Championships, Provincial and University National Championships, Regional Events, Invitational Events that clearly fulfill a hosting void in the community and events that fit within the Train to Train, Train to Compete, and Train to Win stages of the [LTD framework](#).
