

Hosting BC Funding Allocations – Spring 2026

Information Note

September 21, 2026

The purpose of the Hosting BC grant program is to help communities, organizations, and volunteers enhance their event hosting capacity, generate economic and tourism impact, and support athlete development across British Columbia.

This information note provides a summary of the applications and outcomes of the review process for the Winter 2026 intake.

2026-27 HOSTING BC RECIPIENT SUMMARY:

- Intake Period: June 1-25, 2026
- Total applications: 76
 - Total funding request: \$652,715.
 - 18 applications were deemed ineligible and were not reviewed by the panel
 - 52 were reviewed by the panel
- Total events funded: 41
 - No applications were received from BC Game Zone 7 (North West region of BC). At least one event in each of the other eight BC Games Zones were funded.
 - 67% of the funding went towards supporting 19 International Events and National Championships to be held in the province.

The following summary table illustrates the statistics across the intakes.
