

Fractional Accounting & Financial Services

Enkel's expert bookkeeping, payroll, controllership, and CFO services keep your finances compliant, organized, and ready for growth - freeing your team to focus on what matters most.

Why Choose Enkel?

Bookkeeping & Accounts Payable

Best-in-class bookkeeping, automation tools, and secure vendor approvals

Automated Workflows

Policies, integrated workflows for instant reporting and cash flow predictability

Fractional CFO

Contracted financial expertise and leadership at a fraction of the cost of a full-time hire.

Financial Oversight

Support fiduciary duties with deeper financial review and risk management.

Enkel's Fractional CFO services give organizations affordable access to senior financial leadership, offering clear reporting, stronger planning, and better oversight without hiring headaches. With scalable support and modern, automated systems, Enkel helps teams improve cash flow visibility, streamline operations, and make confident, proactive financial decisions - so leaders can stay focused on delivering programs and driving impact.

Flexible pricing for every organization size with 20% off for viaSport designated organizations.
